Dylan Hassinger

Full Stack Web Engineer

314.401.0166 - d@dylanized.com

I am a creative technologist looking to build meaningful products as part of a mission-driven team. I am especially interested in gaining experience with Vue.js, Tailwind CSS, and JavaScript backend technologies.

My Specialties:

- **Backend Microservices** — Node.js - Express.js - PHP - WordPress - MySQL - MongoDB
- **Frontend Architecture** — JavaScript ES6 - Vue.js - Tailwind CSS - Bootstrap - SCSS
- **DevOps + Automated Testing** — Git - Bash - TDD - Webpack - Docker - Heroku - NPM
- **UX Design & Growth** — Design Systems - UX - Typography - Analytics

Featured Experience:

Vinli - Frontend Architect, Fall 2018

- Rearchitected UI platform into a single monorepo with multiple applications and use cases
- Led development of custom Vue.js component library, design system and styleguide

Allscripts / FollowMyHealth - Software Engineer, 2017-2018

- Prototyped server-side UI engine (Node.js, Express.js, ES6, EJS)
- Created themable frontend framework and component library (HTML5, SASS, Bootstrap, Angular)
- Developed project styleguide and coordinated between backend and UX teams

Revolution Messaging - Web Engineer / Product Developer, 2015-2016

- Built website components and devops systems for presidential primary campaign (JavaScript, WordPress, Mixpanel, BSD, Ghost Inspector)
- Added features and improved performance for backend APIs and frontend SPAs (Node.js, MongoDB, PHP, MySQL, Backbone, CoffeeScript, Mocha, NPM Scripts)

Fleishman-Hillard - Web Developer, 2005-2014

- Led development of Fortune 500 websites and intranets (including AT&T, Nike and Rawlings)
- Architected and troubleshooted high traffic online publications (Field & Stream, PopSci.com, GigaOM)
- Created reusable tools & frameworks, recruited and mentored team members

Campaign Consultant - 2015-Present

- Part-time campaign consultant and operations manager for local St. Louis political campaigns
- Managed bookkeeping, volunteers, voter outreach, messaging, digital and other campaign operations

Other Experience: Answers.com, 1904Labs, Field & Stream magazine, PopSci.com and many more

Education:

- Webster University - BA History / Education (2010)
- St Louis Community College - Graphic Design
- Startup Chile (2013)
